

Applications

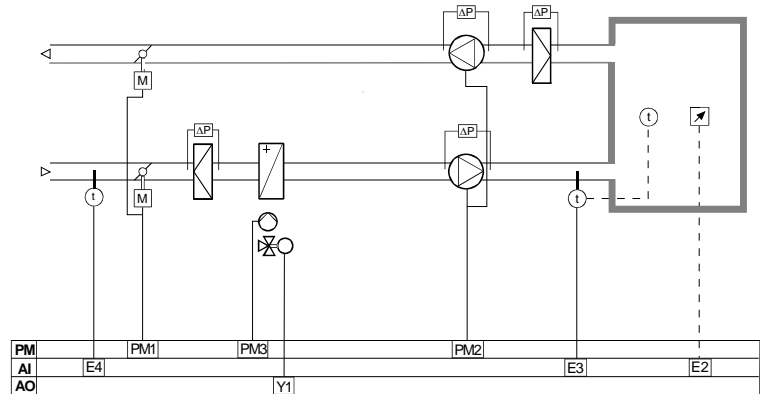

Sommaire des applications

CLIMESTA RCL308A

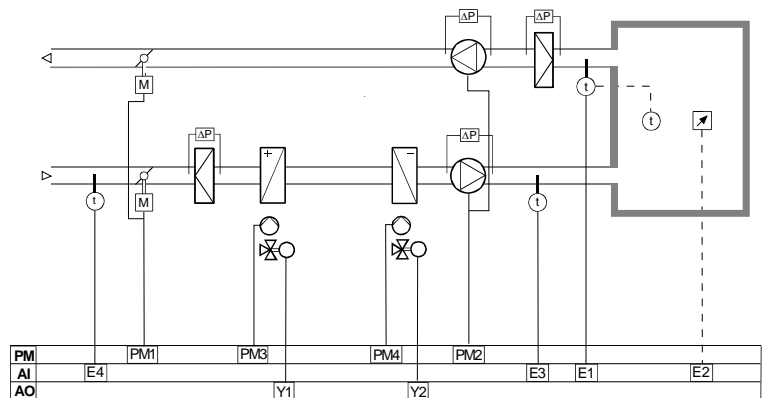

Régulateur universel flexible

Régulation de température de l'air pulsé ou de la température ambiante, chauffage

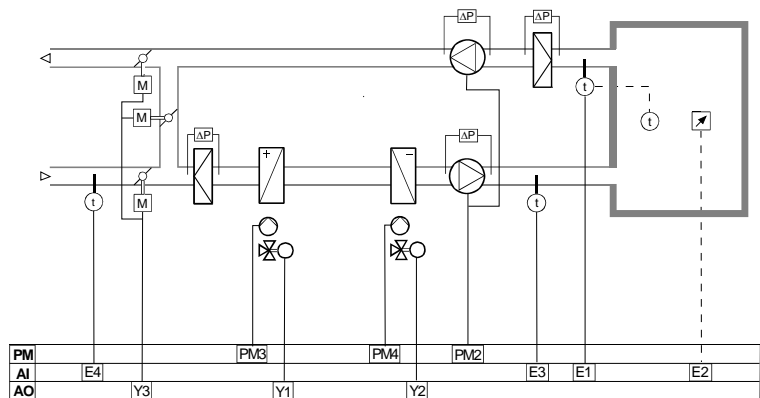

308_201V3F

Régulation cascade, chauffage-rafraîchissement

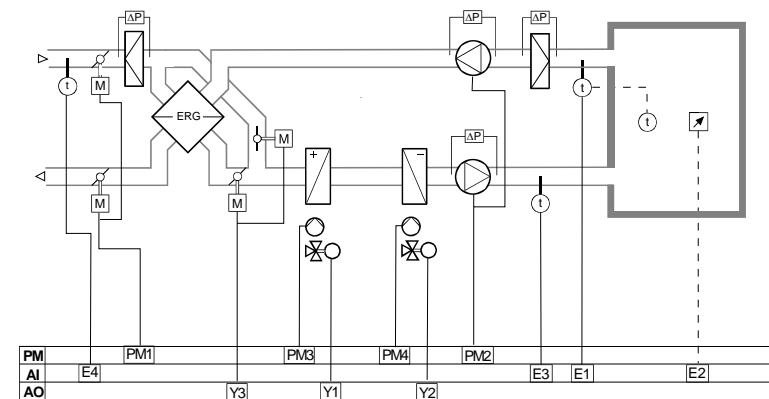

308_202V3F

Régulation cascade, chauffage-rafraîchissement-offre-demande

308_203V3F

Régulation cascade, chauffage-rafraîchissement-récupération d'énergie

308_204V3F
